

LAWSUITS, DEFENSE COSTS AND ACCIDENTS – OH MY!

Do your home, car and boat policies offer enough coverage?

Your dog's temper
changes the plot of your
book club meeting.

Recreational fun takes
a turn for the worse.

A boating accident
leaves you in hot water.

A wayward dive becomes
an unfortunate accident.

Your teen driver
doesn't anticipate the
bicycle traffic.

Your florist is wearing
rose-colored glasses
and doesn't see the
puddle in front of her.

Your babysitter doesn't realize what's coming at her when she's distracted.
