

ABOUT AMERICAN INTEGRITY

We're in the business of helping South Carolina residents protect their homes and families. This is an important task, and one we do not take lightly. Since our company's inception, our focus has always been to provide sound and solid insurance products, as well as compassionate, timely, and friendly service to our policyholders.

We manage our growth, and finances, prudently to ensure that we're able to pay claims in the event of catastrophic weather AND continue to grow and provide Palmetto State homeowners with the comprehensive insurance coverage they need...and deserve.
